RECORD OF TELEPHONE INTERVIEW AND RESUBMISSION OF SUPPLEMENTAL  
INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

On April 7, 2003, the undersigned attorney called Examiner Le to check on the status of the application and to bring to his attention the fact that, although we had timely filed a response to the Office Action dated September 11, 2002 received for the above-identified patent application, and received the postcard receipt back, the correspondence had not been entered on the PAIR (secure) site. The amendment and transmittal letter in triplicate were filed via Express Mail on December 9, 2002 with Certification under 37 CFR 1.10. In accordance with the Examiner's request, copies of that amendment transmittal letter and amendment and other correspondence submitted with it (identified in the enclosed copy of the "Record Of Telephone Interview And Resubmission Of Response To Office Action Dated September 11, 2002" cover letter dated April 7, 2003) were transmitted via facsimile on April 7, 2003. As noted in the cover letter, *copies of the references listed on the PTO Form 1449 and submitted on 12/09/02 as part of the Supplemental Information Disclosure Statement were not transmitted via facsimile since there were too many pages. As requested by the Examiner, copies of the references are being resubmitted herewith.*

EU959120135US

In view of the documents resubmitted via facsimile on April 7, 2003 and this resubmission of the Supplemental IDS, it is respectfully submitted that the response to the Office Action dated 9/11/02 was timely filed and received by the Office. The Examiner is respectfully requested to enter and consider the Amendment and Supplemental IDS and grant allowance. The fees for the Amendment and Supplemental IDS were charged by the Office on 12/12/02. Therefore, no fees should be due for this resubmission. In the event, however, that some additional fees are due, the Office is authorized to charge the necessary fees to Deposit Account No. 50-0383 of Hughes Electronics Corporation.

Should he have any questions, the Examiner is invited to call the undersigned attorney at the below-listed number.

Respectfully submitted,

By:
